

## **COMMERCIAL PILOT LICENSE – DGCA**

For students from India who wish to fly for India's airlines, NS Aviation Academy trains you in accordance with the Directorate General of Civil Aviation (DGCA) requirements; our basic Commercial Pilot Program meets all minimum DGCA requirements. Successful completion of this program will earn you the necessary Federal Aviation Administration (FAA) ratings and required DGCA flight hours, which will allow you to convert your licenses and ratings upon return to India.

- **ELIGIBILITY: FAA CPL**

1. Minimum 10 + 2 educational qualifications (DGCA license requires Physics and Mathematics).
2. Minimum 17 years of age.
3. Good command of English (Read, Write, Speak & Understand): Minimum ICAO Level 4 required by airlines.
4. Issue of I-20 for M1 visa.

- **DURATION** : Approximately 6 – 9 Months

- **RATING** : Commercial Pilot License (**CPL Single Engine with Instrument Rating**)

- **INCLUSIONS** :
  1. All flight and ground training as mentioned.
  2. Total 260 flight hours guaranteed as per DGCA.

- **OVERVIEW** :
  1. Pricing & information
  2. 6-9 months course
  3. Assistance with M1 visa
  4. DGCA approved program
  5. Earn necessary FAA ratings

- **CURRICULUM & COST** :
  1. Approved FAA curriculum, accepted by DGCA.
  2. FAA Commercial Pilot License (CPL Single Engine with Instrument Rating)
  3. Cessna Pilot Training Program ( Jeppeson School)
  4. Program provides adequate training hours at every stage.

3000 NW 59th St., Fort Lauderdale, Florida, 33309

• **Airplane Single Engine Land - 260 hours flight time**
